RECORD OF CONTINUITY BRAZER QUALIFICATION

We wish to use provision QB-322 of the ASME Section IX Boiler and Pressure Vessel Code:

Renewal of qualification of a performance qualification is required when a brazer or brazing operator has not used the **specific brazing process for a period of 6 months** or more; or there is a specific reason to question his ability to make brazes that meet the specification.

We also wish to comply with the NFPA99 Health Care Facilities Code:

Performance qualifications of brazers shall remain in effect indefinitely, unless the brazer does not braze with the **qualified procedure for a period exceeding 6 months** or there is a specific reason to question the ability of the brazer.

This individual has brazed using the qualified procedure and specific brazing process within the NITC BPS# **13-BPS148**.
